

## INTRODUCTION

Our company, the VEND-TEX KFT has been dealing with textile manufacturing and trading since 1993. Products manufactured by our company are well known in the hotel industry.

In our offer one can find:

- damask tablecloths and table covers
- damask napkins, table skirts
- exclusive chair covers
- damask and other bedclothes
- bed sheets, mattress covers
- duvets, pillows, blankets, bed covers
- terry goods (towels, bath sheets, bathmats, bathrobes)
- white and decorative curtains
- smocks (chef's coat, trousers, hat, apron, robe, tunic, etc.)
- other textile goods (e.g. kitchen-cloths, dish-cloths, baize, etc.)

Regarding our experience of several decades in the textile industry and the more than usual frequent usage of these types of products, our company recommends the cotton-polyester textiles in different combinations, first of all because of their esthetic look and secondly, because they're easy to handle and are very durable.

In our flexible outfitting-department we can fulfill even the most unique demands as far as the dimension, model, embroidery, emblems are concerned.

Our partners can visit our showrooms any time, or we send our detailed collection of samples.

We offer samples and handling instructions for our customers.

We assure fast and flexible administration and continuous replacement of our wide range of goods.

We do total equipping of hotels, pensions, restaurants, public institutions, respecting the unique conceptions.

We hope this prospect has raised your interest, for further information please contact us at:
